Nick Battista
Department of Mathematics
Campus Box 3250
Carolina Campus

Dear Mr. Battista:

In recognition of your contributions to undergraduate education at The University of North Carolina at Chapel Hill, I am pleased to present to you a 2013 Graduate Student Mentor Award for Excellence in Mentoring Undergraduates. This award acknowledges the significant contributions you have made in undergraduate mentoring through all stages of a significant research project. I appreciate the time you have given beyond your own research commitments to engage undergraduates in research, and to help promote a research community at Carolina that includes faculty, postdoctoral fellows, graduate students, and undergraduates.

Very truly yours,

Krista Perreira, PhD
Associate Dean
